The net income from the Jatra is very small, and I do not think this is a fit case for its division between the District Board and the temple. It is the duty of the District Board to make special arrangements for sanitation in rural areas when the occasion requires, and I do not think they can ask, as of right, for a share in the income derived from the Jatra.

As stated already, the income from this jatra is very small, and, while the District Board will not appreciably gain by the division, it may hit hard the temple. I agree therefore with my predecessors in holding that this is not a proper case for division of income.

Sir,

In forwarding herewith a copy of the Office Note regarding the annual Jatra at Antharagatte in the Kadur Taluk, I have the honour to state that similar jatras are being held annually in several other places in the District at each of which the District Board make all arrangements for conservancy and sanitation, water supply, medical relief and also for veterinary aid for the large number of persons and cattle that congregate at each of the Jathras.

All precautionary measures are also being taken by the Board against the outbreak of spread of epidemics either amongst the large number of persons or cattle that assemble at these jathras by the employment of special conservancy staff to work under the supervision of the Reserve Sanitary Inspector and the Vaccinator deputed for duty at the Jatharas.

Further the Board incurs a large expenditure for cattle shows wherever they are held. All expenditure in connection with the several jatras is thus being borne by the District Board but at present they realize nothing towards their revenue as the entire realisations at these Jatras are credited to the respective Muzarai Institutions in connection with which the Jatras are held.

The claim put forward by the District Board in the enclosed office note for assigning to them a moiety of the realizations at these Jatras appears to be quite legitimate and reasonable in as much as they provide all facilities and safe guard the interests

NOTE ON THE ANTHARAGATTE JATRA REALIZATIONS.

The Jatra at Antharagatte in the Kadur taluk is an annual one held in connection with the Car Festival of the local deity Sri Durgamma.

The temple is a major Muzrai Institution. But at the time of the Jatra each year the District Board are making all necessary arrangements against the outbreak or spread of any epidemics - either amongst the devotees and others assembled there or amongst cattle.

The following are the arrangments made every year during the Jatra.

1. A temporary Veterinary Dispensary for cattle,
2. A temporary Dispensary will be opened for medical relief.
3. A number of temporary wells are sunk for water supply to persons and cattle.
4. Temprary staff for conservancy arrangements will be entertained.
5. Sanitary Staff will be drafted for duty along with the Vaccinator with a large supply of lymph to be ready for vaccination work should such a necessity arise.

Thereby the Board arranges for holding a cattle show and awards prizes.

The expenditure in respect of all these aforesaid arrangements are met by the Board annually.

RECEIPTS:- The receipts during the Jatra falls under four heads:-

1. Offerings by the Devotees.
2. Tax on carts coming to the Jatra
3. Shop tax.
4. Sale of manure etc., collected thereat.

Of these four items the first one viz., offerings by the devotees is a legitimate income of the Temple in as much as it is for deity.

In regard to the rest of the items 2,3 and 4, it may be

be safely asserted that the Board has equal rights with the temple and as such the income realized from these items is to be equally shared both by the Temple and theDistrict Board, and it may be further stated that the local Panchayet cannot lay their claim for any portion of these items as they do nothing in repsect of them.

Under these circumstances it is a point for consideration and orders whether a moiety of the total realizations except those pertaining to [illegible] are not assignable to the District Board who spend a large amount out of their funds for making all necessary arrangements.

The current year's realization Viz., Rs. 775-13-11 minus 186-2-1 pertaining to the offerings from devotees or Rs. 587-11-0 has therefo to be equally devided between the District Board the temple i.e. Rs. 293-13-6 each.

As to the arrangements for the coming years it may be also be suggested that the right of collecting shop tax, taxes on carts and disposal of manure may all be clubbed up and sold by auction by the District Board and the moiety realized therefrom credited to District Funds. The sale realizations would then be appreciab larger than the present income collected by amani Viz., by the Taluk officials.

The same procedure may also be adopted in respect of all the major Jatras held in the District.

However the legitimate claim of the District Board in respect of all the major jatras where they make all arrangements cannot be ignored and the question therefore calls for some equitable arrangement being made to assign atleast the moiety of realizations at the jatras to the Board.

President,
Kadur District Board.

SIR,

Referring to letter No.L.B.359/27-28 dated 22nd June 1928 --- addressed to you by the President of the District Board Kadur District regarding the annual Jatra at Anthargatte in the Kadur Taluk, I have the honor to state that the general question of crediting Jatra collections to the funds of the temple was very recently considered by Government in all its aspects and agreeing with the views of the majority of Deputy Commissioners and the then Muzrai Commissioner (Mr. C.S. Balasundaram Iyer) it was finally ordered that it was not expedient to lay down hard and fast rules and that each case may be settled equitably by the Deputy Commissioners in consultation with the District Board and the Dharmadarsis of the temple and that in cases where an agreement was not reached, the orders of Government should be sought. (vide copies of letters dated 1st July 1926 and 19th March 1927 enclosed.)

I am not in favour of the present proposal of the District Board to assign a moiety of the realizations at each of the Jatras held in connection with the several major Muzrai institutions in the District to the Kadur District Board, as the Jatras are mainly due to the attractiveness of the temples due to their importance and popularity and as it is not to the interests of the institutions concerned to concede to the District Board a right to the moiety of the income

marginally noted two points, I beg to --- enclose herein a ---- summary of the views of the several Deputy Commissioners in the -- matter, and to state that I agree with the majority of the Deputy Commissioners in thinking that the existing practice is alright and may be continued.

The Jatras are mainly due to the attractiveness of the temple by its importance and popularity and the institution is entitled to the bulk of the income. he cost of sanitary and veterinary arrange ments should be a first charge on the income, and if these are under-taken by the local authority, the temple should contribute towards

Adverting to your letter No. L. 6509/L.B.22, 27-6 dated the 7th March 1930 calling for a detailed statement of receipts and expenditure incurred on behalf of Sri Durgamma temple at Antharagatte, Kadur Taluk, I have the honour to forward herewith a copy of the statement received from the Amildar of Kadur Taluk showing the details of expenditure as desired. The large variation in expenditure during 1928-29 is explained to be due to the purchase of a State Loan Bond of Rs. 1.130/- and that the remaining items do not call for any special remarks.

Further the District Board has made the marginally noted grants for Sanitary arrangements and holding the cattle show to be held every year at the time of the Jatra.

	26-27	27-28	28-29	29-30
1. Cattle Show.	75/-	75/-	75/-	75/-

3. Advertisement charges.	25/-	25/-	25/-	25/-
Total:-	150/-	150/-	150/-	150/-

From the above statistics it is seen that the District Board has been paying grants every year besides arranging for medical and veterinary aid by means of opening temporary dispensaries during the time of the Jatra. I therefore request that you may be so good as to obtain and communicate the sanction

of Government to the assignment of a portion of the realisations at the jatra as already requested in this office letter No. L.B. 359/27-28 dated the 21st February 1930.

Dated, Bangalore 30th November 1931.

As regards the Jatra at Anthargatte, Government are pleased to direct that half the amount of the actual outlay incurred by the District Board on account of sanitary and other arrangements every year be paid from the Jatra realisations subject to the limitation that no such payment need be made in those years when the expenditure exceeds the net income to the temple from the Jatra.

As regards the other Jatras in the District, Government consider that it is not expedient to lay down any hard and fast rules on the subject and that each case may be settled equitably by the Deputy Commissioner in consultation with the temple committees and where no such settlement is possible, orders of Government may be sought.
